

Dear Parents/Carers,

Thank you for your child's participation in our kid's church services/church services. It really is such an encouragement to see you and your children involved. Although, we have consent via text messages or email for your child to participate in videos from March 2020, It would be great if we could formalise this for our records by completing the attached form and returning it to me asap via email to [dianne@theunitedparish.org.uk](mailto:dianne@theunitedparish.org.uk). (Forms can be filled in electronically and will be attached to the email sent for proof of signature)

### **Kids Church consent**

I give permission for my child to participate in online Kid's Church Videos, this also include photos submitted for videos. It is my understanding that these videos are accessed via a hidden link on Youtube and that the link to these videos would be passed on to members of our church (The United Parish of Christ Church and St Johns) who are connected to our children's and youth organisations. I understand that although the church endeavours to keep the videos hidden online and ask those who receive links not to pass them on, they cannot be held responsible for what other people do with the links.
